THE CUBE FAMILY

PICA CUBE™

MIRO CUBE™

BRAQ CUBE™

Meet the Cube™ Family – Miro, Braq and the new Pica Cube™. Each fixture in the family combines Black Tank's industry leading control and LED technology with Rosco Laboratories' 100 year legacy in color and light. The result is an LED fixture line with best in class quality of light and which is small enough to be built into scenery or soffits, and light enough to mount as a track light.

The Cubes are perfect for use in theatrical, architectural, themed environment, photographic and museum applications.

Family Features include:

- The tightest binned LEDs on the market along with hand selected optics to enable amazing output and beam control
- Integrated controls to enable out-of-the- box use without additional control accessories
- Patented thermal management technology provides the smallest form factor, highest output and an amazingly long LED lifespan
- A versatile range of rigging options and accessories to allow you to explore your creative size
- Designed and made in the USA

THE CUBE™ FAMILY
